

## COLLATERAL CALL NOTICE ACTION REQUIRED

Loan Number:

Amount Due:

Date Due:

Your

has fallen below the required minimum maintenance level. As a result, a collateral call has been issued and is **due in three business days**. There are three options available to you to resolve this call, listed below. If the call is not satisfied by the due date, Supernova will liquidate sufficient securities in the collateral account(s) to cover the amount due.

1. Make a payment to your \_\_\_\_\_ in the amount due
2. Deposit additional collateral valued at two times the amount due
3. Liquidate securities in the collateral account and transfer the proceeds to your \_\_\_\_\_ to reduce the balance outstanding. See the Portal for more information.

Please contact your Investment Advisor to discuss the best option for you.

Should you have any questions, please contact your Investment Advisor or Supernova.
