

COLLATERAL CALL NOTICE
**IMMEDIATE
ACTION REQUIRED**

Loan Number:

Amount Due:

Date Due:

As a reminder, your
has fallen below the required minimum maintenance level. As a result, a collateral call has been issued and is due today. There are three options available to you to resolve this call. **Failure to resolve this call by 4pm Central time today will result in securities being liquidated in your collateral account to cover the amount due.**

1. Make a payment to your _____ in the amount due
2. Deposit additional collateral valued at two times the amount due
3. Liquidate securities in the collateral account and transfer the proceeds to your _____ to reduce the balance outstanding. See the Portal for more information.

Please contact your Investment Advisor to discuss the best option for you.

Should you have any questions, please contact your Investment Advisor or Supernova.
